

# Andrew Hainen

Experience Designer

Hi, I'm Andrew and I am a creator of digital designs, layouts, animations, and experiences.  
If I'm not in front of my computer, then something is wrong.

## Education

University of Michigan  
School of Art & Design  
Bachelor of Fine Arts, May 2012

## Experience

### Hook Studios

January 2011 - April 2011

I worked as an interactive design intern producing Flash applications. Working closely with a coworker, we produced a game that let you create digital fruit.

### Q LTD

September 2011 - December 2011

I worked as a graphic design intern at Q LTD, working with print and digital media. Projects covered logo design for health products, holiday animations, and static banner ads.

### Perficient Digital (formerly Enlighten)

January 2012 - November 2016

I worked as an Interactive Designer at Enlighten. With other designers, I developed comps, graphics, logos, and other digital media for Enlighten's clients.

### Pillar Technology

December 2016 - Present

I currently work as an Experience Designer at Pillar Technology. I work in agile processes with developers and Experience Architects, in which I've create style guides, dashboard interfaces, and concept animations.
